Privacy Policy
florencemkeaton.com as of May 21, 2018

I'll try to keep this simple and to the point. I don't have any tracking software or any analytic apps installed on my website, so when you visit florencemkeaton.com and its subsequent pages, I don't receive any information about you, your device, or where you're located. If you click on entries of my blog to read them, it will register that someone viewed that entry, but nothing else.

You probably know this part, but I need to put it in writing. If you click on any links I provide such as my social media links to Facebook, Twitter, et. al., you're subject to those websites specific privacy policies. In addition, if you click on any links to purchase my book, *Bluebonnet Road,* at Books2Read, Amazon, or Barnes and Noble, you're subject to those outside websites' privacy policies as well. Also, if you share my page with Facebook through the "Share this Page," button or share any of my blog entries on any social media outlets, you're subject to those websites' privacy policies and not florencemkeaton.com.

All the pages on my site are SSL certified (https) to give you a secure browsing experience when you visit.

My site was built on Wix.com, and to the right is the information regarding various cookies Wix might use on some of its sites. Frankly, this stuff is Greek to me, but I need to post it for my visitors to review. If you need more information regarding Wix cookies, please contact the main website directly at Wix.com.

I hope this covers everything. I want you to have a positive experience on my website, and if you need to contact me directly, please email me at FlorenceMKeaton@outlook.com.

Thanks for visiting!

Florence M. Keaton

Cookies and Your Wix Site

Cookies are small pieces of data stored on a site visitor's browser, usually used to keep track of their movements and actions on a site.

In accordance with the GDPR, you must inform your users that you are using cookies on your site. You can inform your users by adding this as a section of your site's privacy policy. Make sure to include details on the types of cookies your site uses.

Cookies are implemented in every site built by Wix. Take a look at the table below to view which cookies Wix implements on Wix sites:
